

Ready for School. Set for Life.

Partnering with parents and families to help all children stay healthy and succeed in school.

Parent Guide to First Things First Funded Programs in Pima County

Contact

Are you a parent or caregiver looking for resources and support?

- **Home Visitation**

Gives young children stronger, more supportive relationships with their parents through in-home services on a variety of topics, including parenting skills, early childhood development, literacy, etc. Connects parents with community resources to help them better support their child's health and early learning.

- **Parent Education Community-Based Training**

Strengthens families with young children by providing voluntary classes in community-based settings such as parenting groups, nutrition education, and support and education for teen parents

Casa de los Niños

(520) 624-5600 ext. 306

Southwest Human Development

1-877-705-KIDS (5437)

Do you want information about your child's physical or oral health?

- **Nutrition/Obesity/Physical Activity**

Improves the health and safety of young children by providing community-based health education on a variety of topics including: healthy food choices and appropriate physical activity.

- **Oral Health**

Decreases preventable oral health problems in young children.

Pima County Health Department

(520) 741-4313

- **Health Insurance Enrollment**

Increases children’s access to preventive health care and builds community awareness of the availability of public health insurance options.

This program provides outreach and education to families and health professionals about the importance of preventative health care such as public health insurance, dental visits by age one, immunizations, and referral information for developmental delays.

Child-Parent Center

(520) 623-2512 ext. 77304
